Rockin' for common sense decisions about trash!  
rocktrash@comcast.net

Our GOAL: Optional, once-per-week trash service at a discounted price.

## Basic Principles:

- ✓ Choice! You choose the level of service that best meets your needs, not the City Council.
- ✓ Fairness! You should not have to subsidize residents who use the most expensive service.
- ✓ Economy! It's cheaper, saving the City on gas, wear and tear on the trucks, and labor.
- ✓ Environment! It encourages more recycling and reduces pollution.
- ✓ It works! Customer satisfaction is extremely high among residents participating in the trash pilot.

How can you help? Call, email, or write Council members Dorsey, Marcuccio, and Robbins. Tell that that you want optional, once-per-week trash service at a discount.

Stay informed and coordinate with other like-minded residents by joining ROCKTRASH. Send an email to [rocktrash@comcast.net](mailto:rocktrash@comcast.net).
